## NEC Documents Price List and Order Form

Updated 18<sup>th</sup> August 2016

**(We are the sole agents for NEC documents in southern Africa)**

THE "STORE" HEADING OF OUR WEB PAGE [WWW.ECS.CO.ZA](http://WWW.ECS.CO.ZA) PROVIDES FULL DETAILS OF EACH DOCUMENT AND ALLOWS YOU TO GENERATE A TAX INVOICE FOR YOUR ORDER. THIS MAY BE A QUICKER ALTERNATIVE TO COMPLETING THE ORDER FORM ON PAGE 2.

If you prefer **not** to use the web page "Store" facility, attached is an Order Form and Price List for NEC documents for completion and e mail or fax to us as instructed.

***Prices of previous editions have not changed, however prices of current editions may change without prior notice due to suppliers' increases and exchange rate variations***

**The payment and collection arrangements are stated on the Order Form.**

Please note our terms of business are strictly payment before collection or despatch

---

The Institution of Civil Engineers (UK), the owner of the NEC system, has published "2013" versions of the full range of NEC3 contracts and their guidance notes branded as "NEC3 Evolved".

The ICE have also introduced a new addition to the NEC3 family of contracts, the *NEC3 Professional Services Short Contract (2013)*, as well as some new documents designed to assist users put contracts together and administer them using standard forms developed by the ICE.

*These new documents are all included in the 2013 Box Set now containing 39 documents.*

The attached Price List comprises the following:

- Prices for NEC3 documents in hard copy format published April 2013 under the branding "NEC3 Evolved" and other NEC related handbooks.
- Prices for NEC3 documents published between June 2005 and December 2009 in hard copy format.
- Prices for NEC documents published between November 1995 and July 2001 in hard copy format subject to continued availability.

NEC3 documents are available in digital format in terms of an annual licence fee. Please contact us to make the necessary arrangements for you to purchase in pound sterling from the NEC London office.

**MS Word templates for drafting and administering all NEC3 2013 Edition contracts are available from Engineering Contract Strategies. Templates include Agreements & Contract Data, Pricing Data, Scope of Work, and associated CIDB tender and award documents complying with SANS 10403.**

**Please contact us for a quotation.**

Civil Engineering Standard Method of Measurement – SA Edition	CESMM3	Blue/black	500.00
---	--------	------------	--------

Andrew Baird, the owner of ECS

- was a member of the NEC drafting Panel which prepared all of the listed NEC documents,
- has over 15 years of hands-on experience in the preparation, tendering, award and administration of NEC based contracts, in South Africa and other parts of the world, and
- is able to provide training at any level from 2 day introduction seminars to one day advanced workshops on procedures within any of the contracts.

## **SERVICES PROVIDED BY ENGINEERING CONTRACT STRATEGIES (ECS):**

Assistance relating to contractual arrangements & strategies for all types of procurement, and project execution.

Provision of "model documents" for development and administration of any of the NEC family of contracts and subcontracts.

Advice, facilitation or preparation of tender and contract documents for main and subcontracts in the engineering and construction industry, including professional services.

Advisory services during contract administration for dispute avoidance and independent assessments.

Contract performance audits and post project reviews.

Adjudication and dispute resolution.

Training courses on a staged basis for a clear progression of knowledge, understanding and practical application of any of the NEC contracts.
